

The image features a dark green background with a repeating pattern of stylized, overlapping leaf shapes. The leaves are arranged in a grid-like fashion, creating a textured, organic feel. The lighting is subtle, highlighting the veins and edges of the leaves. In the center-left, the word "ANTARA" is written in a large, white, serif font. Below it, the word "RUNDA" is written in a smaller, white, sans-serif font. The overall aesthetic is clean, modern, and nature-inspired.

MASTERS OF THEIR CRAFT

INSPIRED BY THE FOREST

Designed to be a forested breather away from life's bustle, Antara's 15 timeless villas are perched on the edge of the gloriously green Karura forest along Tara Road in Runda. Each sprawling 4-bedroom villa (5250 sq.ft) is designed to harmonize with its natural sedative surroundings. Enjoy the blend of dramatic interior spaces with the exterior gardens that provide sensational views for an incomparable living experience.

TIMELESS CONNECTION
WITH NATURE

AN EXEMPLARY LIVING STATEMENT

Antara is an ensemble of architectural statements that capture the outdoors as an integral part of the experience. Soaring ceilings and unobstructed expanses of glazing coax sunlight into a free-flowing lower level, amplifying the luxury of space and a capacity for supporting social connection and privacy in tandem. Each villa is entranced through a bespoke entry foyer that introduces a dramatic double height lounge, framing the perfect garden backdrop while a glass wrapped dining provides an immersive escape to savor nature's own.

UNPARALLELED
ORIGINALITY

AN ENVIABLE SANCTUARY

A winding staircase entrees the second floor featuring a lavish master-bedroom wing. The thoughtfully curated all-in-one design concept opens up the space and creates the perfect parallel between design and functionality. The master suite is complete with a walk-in wardrobe and well-lit master bathroom imbuing a luxurious ensuite with radiant, calming charm.
