

NATURA

LAVINGTON

NATURA

In the heart of Ndoto Road, Lavington, lies a sanctuary, unlike any other spread across one lush acre.

This exclusive enclave features nine exquisite 5-bedroom villas, each a private haven. Spanning from 5,961 sq.ft., each tri-level villa is a retreat where nature isn't confined to the outdoors; it thrives on every level, weaving through terraces and spilling upward, breathing life into every corner of the home.

NATURE INSPIRED

Step into the double-height foyer, where sunlight pours through floor-to-ceiling windows, illuminating interiors wrapped in warm wood and cool stone. Beyond these windows, lies a stunning atrium, with greenery stitching its way up and inviting nature in.

The outdoor terrace extends the living space into nature's embrace, while scenic views showcase the leafy, landscaped gardens.

CULINARY OASIS

Start your day in the sunlit breakfast nook, where mornings linger over coffee. The open-plan kitchen invites conversation, flowing seamlessly into the outdoor lounge, where the evening breeze carries the city's hush.

Just beyond, a fragrant herb garden offers fresh picks for your meals, while a chef's kitchen and butler's pantry ensure effortless hosting.

SERENE RETREAT

Wake up to nature's soft whispers in the master suite, nestled on the first floor. Floor-to-ceiling windows open onto a private terrace, making organic beauty and tranquility a part of your everyday. A serene indoor lounge invites slow mornings, while a freestanding bath offers pure indulgence.

Two adjacent ensuite bedrooms extend to intimate green terraces, creating secluded sanctuaries.

VERDANT ESCAPE

The crown jewel of Natura lies on the top floor—a breathtaking private wing where the cityscape gives way to a green hideaway. A cozy lounge spills onto a sprawling outdoor terrace, immersing you in the lush beauty of the gardens below.

An additional ensuite bedroom with a walk-in closet completes the space—ideal for a guest retreat, personal sanctuary, or an entertainer's dream under the open sky.
